Subject:	further draft from ned

Hi again. Am attaching a further, slightly amended draft of Ch 1. The only new change is at the end. Now that I have
started on Ch 2, and done away with the “Swinging Sixties” intro material as suggested in favor of going straight in to
EB’s army career, I don’t want to spoil the momentum by already having told the reader about the lock-picking/Sayeret
connection. So I’m ending Ch 1 simply by saying he’s applied for the armored corps.
Best
Ned
